**Draft DOI Outcome Goals Applicable to this Activity****Recreation****3.1 Improve Access to Appropriate Recreation Opportunities on DOI Managed or Partnered Lands and Waters**

Urban Park and Recreation Recovery Grants and Administration support this goal by providing and managing grants to local governments, improving their capacities to provide access for recreation and promoting recreation opportunities.

**3.3 Provide for and Receive Fair Value in Recreation**

Urban Park and Recreation Recovery Grants and Administration support this goal by providing and managing grants to local governments, promoting quality commercial services for recreation. This activity also promotes recreation by providing incentives by providing grants to communities that demonstrate innovative and cost-effective ways to enhance recreational opportunities.

**FY 2005 Base Program Overview**

The administrative portion of this program will be transferred to the National Recreation and Preservation appropriation in FY 2005.

Please see the National Recreation and Preservation appropriation, Grants Administration budget activity, for a description of the 2005 program.

**FY 2003 Program Performance Accomplishments**

- Provided ongoing park stewardship and protection activities for 1,528 recreation sites to minimize the loss of recreation opportunities as mandated by the enabling legislation
- Further developed automated system to facilitate NPS staff application processing and stewardship responsibilities

**FY 2004 Planned Program Performance**

The President's Budget for FY 2004 did not include funding for additional grants under this program. Administration of 176 active grants approved in FY 2000, 2001, and 2002 continues. It is estimated that 15 active grants will be closed out. Limited ongoing park stewardship and protection activities mandated by the enabling legislation will continue for 1,528 recreation sites to minimize loss of recreation opportunities.
